WELCOME

The Department of Physics

Nau mai haere mai ki Waipapa Taumata Rau

mē Te Kura Mātai Ahupūngao!

Welcome to the University of Auckland

and the Department of Physics!

Ko Te Kura Mātai Ahupūngao ko au

Ko au ko Te Kura Mātai Ahupūngao

Mihi Whakatau

We are committed to supporting everyone's aspirations to study and work in physics, regardless of age, disability, gender, ethnicity, religion, or sexual orientation.

We firmly believe that diversity is key to achieve groundbreaking advances and to unlock the full potential of humanity. Our aspiration is to be a Department that welcomes, fosters, and embraces diversity for the betterment of the discipline and the society.

Similarly to The University of Auckland more broadly, we recognise the status of Māori as tangata whenua and acknowledge the principles of Te Tiriti o Waitangi.
